Wichita, Kan., April 4, 1901. The Alfaifa Company, Wichita, Kan.: Gentlemen-I gladly take advantage of this opportunity to recommend your Alfalfarine. When I first began to use your wonderful discovery I welghed only 105 pounds, and expected to have to give up my position in a short time on account of poor health. I have now been taking Alfalfarine for two months and weigh 127 pounds, while my health is so much improved I feel like an en-tirely different person. I can never express my gratitude to you and your Alfalfarine. Yours sincerely, CLYDIA WINDLE, 132 N. Topeka,

Chicago, Ili., March 30, 1901.
The Alfaifa Company, Wichita, Kan.s
Gentlemen—My daughter being run
down from overwork, I decided to give
your medicine a trial. The result was
entirely satisfactory, the tonic effect
was immediately beneficial and the was immediately beneficial, and after a short time she began to take on flesh and gain color, her back became stronger from action of Alfalfarine on the kidneys. She has taken five bottles, has gained in health, strength, complexion and ten pounds in weight. You are at liberty to use this letter, or any part of it as you deem best.

Very truly yours.
MRS. CARRIE SHIELDS. 582 Racine avenue.

Thin People...

RE you run down by over work? Do you wish to build up your system and become plump and shapely? It can now be accomplished by the use of a twentieth century medicine. DR. SHULTS'

ALFALFARINE

Fattening Food

It is a simple remedy that produces both healthy flesh and muscular strength. It is scientifically prepared, increases the appetite and assists in the assimilation of food, and is a tonic, diuretic and alterative. It is nature's food.

If you cannot obtain it from your druggist, it will be sent prepaid for \$1 per bottle, or six for \$5.

The Alfalfa Company, Wichita, Kans.

Trade Supplied by C. E. Potts Drug Co., Wholesale Druggists, Wichita.

Pasadena, Cal., Feb. 19, 1901, The Alfalfa Co., Wichita, Kansas: Gentlemen-I enclose \$1 for another bottle of Dr. Shults' Alfalfarine. I have taken one and a half bottles of the Food and I am greatly pleased at the improvement in my condition. I have not only gained a few pounds, which has always been up-hill work for me, but my general health is so much better in every way. Respectfully yours, MRS. F. E. DAVIS,

638 N. Madison Avenue.

Wichita, Kan., March 30, 1901. The Alfalfa Company, Wichita, Kan.; Gentlemen-I take pleasure in sav-ing to you that you may announce to the public that four months ago I weighed 160 pounds, was bothered considerably with my kidneys, weak stomach, was very nervous and did not sleep well, which resulted in my constant loss of fiesh. My appetite was fairly good, but rood falled to produce fiesh. I took one bottle of your Alfalfarine and gained 9 pounds, and have continued its use, and up to this time have made a gain of fifteen pounds. My general health is greatly im petite is good and I feel better than I have for years. Yours very truly. L. N. TOLAND,
